

You don't have to be the CEO of a big corporation to feel like one. You can design the executive office that you dream of at a reasonable cost. MAiSPACE, the leader in systems furniture is now offering high quality executive office furniture at the best value available. We encourage you to compare us with our competitors, and we know you'll choose us because we integrate functionality, comfort, and style at affordable prices.

"Our goal," co founder and Vice President of the company, Mark Bassil explains, "is to not only give the end user a great looking, highly functional product group at a price he can afford, but to maintain their standard of excellence and aesthetics all within the budget. Small to mid-size companies now have the advantage of buying and looking like the big guys."

Established in 1993, MAiSPACE has approximately 250 employees worldwide, and a North American installed base of more than \$150 million. MAiSPACE combines global sourcing and supply chain management with a streamlined just-in-time manufacturing and distribution system to reduce costs across the board and ensure fast delivery. MAiSPACE, recognized for years as the leading low cost, high quality alternative to high priced office furniture systems, has recently made significant strides in creating the ultimate mid-market furniture package. Now, in addition to their value driven MAiSPACE system and its value-driven cousin, MORSPACE, MAiSPACE offers its signature MAiSPACE office systems as exemplified in high end custom products, such as elegant executive furniture well-suited to the most distinguished private offices. The executive furniture collection includes finely crafted executive office furniture pieces with impeccable attention to detail. At MAiSPACE, you can choose the best executive furniture to match your precise requirements.

For an elegant and more sophisticated look, you might consider MAiSPACE's beautifully designed, free standing wood furniture line, MAiOFFICE for your private office. This product group features modular, unhandled pieces that fully integrate with the MAiSPACE system. Every piece is designed to the customer's exact specifications and utilizes numerous wood, marble and glass options to achieve sophistication and luxury all at the same time. "What's remarkable," says MD Kim, VP Manufacturing, "is that we can deliver exceptional, one-of-a-kind pieces, in the most beautiful finishes, and still maintain an affordable price point."

Custom wood executive furniture, such as executive desks, bookcases, conference room tables, filing and storage cabinets, comes standard in five designer finishes of Cherry, Mahogany, Anigre, Maple, Walnut and Dark Walnut. The natural rift-cut, book matched veneers, coupled with elegant design, create a truly superior product. "To increase the aesthetic appeal, we have the capability to add marble and glass to complement any environment or desired look," says Kim. All custom case goods offer top quality construction as well. Features include: cold rolled steel bases, 5 sided drawer construction, interchangeable locking system and ball bearing full extension slides.

You can complement your luxury executive office desk and executive office furniture with MAiCHAIR, MAiSPACE's revolutionary ergonomic executive office chair.

MAiCHAIR, the most affordable, fully functional seating line on the market today, is MAiSPACE's symbol of excellence in ergonomic office furniture seating. MAiCHAIR is fashionable, comfortable and affordable. MAiSPACE's ergonomic chair, MAiCHAIR comes in a variety of colors, styles, and fabrics that will match your stylish executive office desk and executive furniture.

Executive office furniture projects your corporate image and reflects your corporate culture. To enhance both the look and feel of your executive office, MAiSPACE offers beautifully designed, finely crafted, luxurious and affordable executive office furniture. This new executive furniture line features pieces that fully integrate with the MAiSPACE system to deliver the complete office at a budget-friendly price point.

In holding true to their business philosophy of delivering the best product at the best price, MAiSPACE, the leader in systems and contract furniture, is now introducing a beautifully designed executive furniture line. MAiSPACE executive furniture pieces appeals to a variety of customers, as Kim explains, "whether a small or mid-size company making major furniture purchase or a large corporation looking for a new global furniture standard, MAiSPACE products and service are second to none."

MAiSPACE, the fastest growing office furniture manufacturer, provides customers with beautiful and functional executive offices and suites without sacrificing affordability or performance. MAiSPACE offers great looking sophisticated executive office furniture products of the highest quality and function at affordable prices. Also, with a team of nationwide dealers, offices and distributions facilities on both East and West coasts, and free CAD services to purchasing customers, MAiSPACE is completely confident and proud in being able to deliver any size project on time and on budget.
